The Weather.

Washington, D. C., Sept. 13.—For Kentucky: Fair to-night and Thursday.

There were no deaths from yellow fever in New Orleans Monday; for the first time in several weeks this good report was sent out.

Lee Weddle, aged 17, shot and attempted to kill Nellie Eichelberger, aged 16, to marry him, and then shot and killed himself, at Frederick, Md.

The old "Washington Elm" at Cambridge, Mass., supposed to be 350 years old, is in a rapidly failing condition. Under its boughs Washington assumed the command of the Continental troops.

Battling Nelson, by his victory over Jimmy Britt, is entitled to the light weight championship of the world. Nelson's share of the purse was \$18,804.20, Britt's \$12,650.88, and the San Francisco club's \$16,908.82. Nelson is to get an additional \$5000 for his interest in the moving pictures and Britt almost as much.

Roy Williams, a 16-year-old boy from Carlisle county, escaped from the School of Reform near Lexington and walked to his home nearly 350 miles distant in his bare feet. His feet were so sore that he cannot wear shoes. He was taken back to the school as soon as he reached his home.

Capt. R. S. Triplett, of Owensboro, died in Louisville Monday of fever. He had been ill several days, but his death was unexpected. He was a native of Scott county and was 75 years of age. He served two terms as State Senator. Capt. Triplett was married when quite a young man to Miss Louisa Vest, sister of the late Senator Vest. She died a number of years ago. He is survived by four sons, George V. Triplett, R. S. Triplett and Graham Triplett, of Waco, Tex., and John H. Triplett, of Memphis.

HOME PHONE

The Home Telephone connected up the new line to McKenzie at six o'clock Tuesday evening and it will soon be open to the public. A dozen or more subscribers enroute are already connected with the Hopkinsville exchange. The McKenzie exchange will be put in now as rapidly as possible. In the meanwhile the Clarksville company is pushing out to the state line and there will soon be another toll line completed to Clarksville.

IN POLITICS.

Something Will Soon Be Doing By Candidates.

Mr. John M. Rice Accepts Nomination for Representative.

Mr. John M. Rice, of the Bluff Springs district, was in the city Tuesday and formally accepted the Democratic nomination for Representative, recently tendered him by the Democratic convention of Christian county. Mr. Rice had not been quite well for several weeks, but his health is now such as to warrant his going into the canvass. He will add much strength to the ticket in his section of the county. Mr. Rice is a prominent farmer and a staunch Democrat, who was for several years county committeeman in his district. He has formally notified Chairman West of the county committee, of his acceptance of the nomination.

FRANK POOL MAMED.

A Democratic convention held in the Scates' Mill district Monday, at Era, nominated Frank Pool, of Lantrip's precinct, for Magistrate in that district. The nomination was by acclamation and has given the Democrats of that district much encouragement. Mr. Pool is a first-class man for the place, is young, active and popular, and will, it is confidently believed, overcome the normal Republican majority and defeat his opponent, Esq. J. W. Rogers.

MORRIS WILL RUN.

Mr. John M. Morris, of the Palmyra precinct, is in the hands of his friends in regard to the nomination for Magistrate in the South Hopkinsville district. He would make a winning candidate.

CONTEST TO-DAY.

After several postponements, the trial of the Tibbs-Clark contest is set for a hearing before the city committee to-day, when the question of jurisdiction will come up for argument.

Strikes Hidden Rocks.

When your ship of health strikes the hidden rocks of Consumption, Pneumonia, etc., you are lost, if you don't get help from Dr. King's New Discovery for Consumption. J. W. McKinnon, of Talladega, Spaulding, Ala., writes: "I had been very ill of Pneumonia, under the care of two doctors, but was getting no better when I began to take Dr. King's New Discovery. The first dose gave relief, and one bottle cured me." Sure cure for sore throat, bronchitis, coughs and colds. Guaranteed at R. C. Hardwick's drug store, price 50c and \$1.00. Trial bottle free.

JOHNSON-GILIAN.

Hopkinsville Man Marries Missouri Woman.

Mr. Hugh N. Johnson, an attendant at the Western Asylum, and son of Mr. J. T. Johnson of this city, and Miss Lura Gilian, of Jasper, Mo., who was also an attendant at the asylum until right recently, were married at 1 o'clock a. m., Tuesday, at the residence of the groom's parents on North Main.

The wedding had been arranged for an earlier hour, but the bride failed to make proper connection at St. Louis, and arrived here at midnight. As all preparations had been made for the event, however, the ceremony was pronounced at the hour above stated. Dr. E. L. Southgate officiated. Only a few of the friends and relatives of the couple witnessed the marriage.

Mr. Johnson and his bride will reside with the groom's parents for the present.

HIS AWFUL SECRET

Finally Proves Past Endurance to Charles Herzig.

Minot, S. D., Sept. 13.—"When my lifeless body is found notify my mother, Mrs. Catherine Herzig, of Girard, Ohio. The inclosed letter will reveal my identity and the awful secret of my wretched life. I can endure it no longer."

The foregoing note was found by Frank Byer, who lives on a claim near Hiddenwood, this county. It was written by one of his harvest hands, called Frank, who had disappeared. In the letter the writer, who signs himself Charles Herzig, says:

"Dear Mr. Byer:—In the early seventies Charles Sterling, a supposed tramp, was tried for the murder of Miss Lizzie Grimbacker, a beautiful young woman residing near Youngstown, in Mahoning county, O. He was convicted on circumstantial evidence and was hanged for the crime in the county jail at Youngstown.

"Charles Sterling was an innocent man. I am guilty of the murder of the young girl. 'CHAS. HERZIG.'"

Mr. Byer and his neighbors have made a search without success for the body of Herzig.

ONE WHO REMEMBERS.

Pittsburg, Sept. 13.—David Jones, a well known newspaper man of this city, who reported the Grimbacker murder case over twenty years ago, remembers the case well. He said to-day:

"The crime caused intense excitement throughout Ohio and this part of the country. Miss Grimbacker was about 17 years old and very beautiful. She was found in the bushes between Youngstown and Holland with a veil tied tightly around her throat. Charles Sterling, the tramp who was hanged for the crime, was seen in the vicinity during the day and was convicted on purely circumstantial evidence. He was tried twice, the jury disagreeing at the first trial. A woman from Canada, who said she was Sterling's mother, came to see him before he was hanged, but she was denied by Sterling."

COLORED PEOPLE

Preparing For a Big Celebration Here Sept. 22.

Big preparations are being made by the colored people for the celebration of Emancipation Day in this city, Friday, September 22. The celebration will be under the auspices of the various secret societies and all schools, churches, societies and colored people generally will participate. There will be a parade, with industrial floats, at 11 o'clock a. m., from Friendship Hall, through the principal streets, to Fleming's Cave. Sutton E. Griggs, A. M. B. D., of Nashville, will be the orator of the day. There will be a foot race, an old man's race and other amusements, including a physical culture drill, and exhibition drills by the Knights of Friendship and Palatial Guards. A concert and prize contest will take place at Friendship Hall and Park at night. Music on the occasion will be furnished by brass bands from Earlinton and Elkton. Several excursions will be run over the railroads.

Startling Mortality.

Statistics show startling mortality, from appendicitis and peritonitis. To prevent and cure these awful diseases, there is just one reliable remedy, Dr. King New Life Pills. M. Flannery, of 14 Custom House Place, Chicago, says: "They have no equal for Constipation and Biliousness." 25c at R. C. Hardwick drugist.

FREAK ROOSTER

Jesse Lovelace, of near Carl, is the possessor of a rooster that has two more legs than he needs for purposes of locomotion. The extra legs have well-formed feet attached to them and protrude from the thighs of the fowl, which is now about grown and in apparently perfect health.

WOMEN SUFFER NEEDLESS MISERY.

There are hundreds of thousands of women in America suffering from Female Diseases, endangering their lives by doing nothing. If they write to me I will give them the benefit of my extensive experience.—S. B. Hartman, M. D.

IN view of the great multitude of women suffering from some form of female disease and yet unable to find any cure, Dr. Hartman, the renowned gynecologist, has announced his willingness to direct the treatment of as many cases as make application to him during the summer months without charge.

The treatment will be conducted by correspondence. The medicines prescribed can be obtained at all drug stores.

The Doctor will prescribe all medicines, applications, hygienic and dietary regulations necessary to complete a cure. Furthermore, all correspondence will be held strictly confidential.

This offer will hold good only during the summer months. Any woman can become a regular patient by sending a written statement of her age, condition of life, history and symptoms of her derangements, and previous treatment.

Pe-ru-na Brought Health and Happiness.

Miss Nellie South, late of Manchester, Eng., writes from 88 Prince Arthur St., Montreal, Can., as follows:

"Peruna has made a wonderful change in my life. It has brought me health and happiness."

"Since my seventeenth year I have had female complaint and irregularities. My general health suffered, I had pains in my back and lower limbs, my eyes were dim, and I became morose and unreasonable."

"Mother sought the advice of our family physician, who prescribed for me, but I grew no better."

"I then read of Peruna and procured a bottle. That one bottle was worth more than all the doctor's medicine I had taken previously."

"I cannot express my gratitude. Peruna has been a great blessing to me."—Nellie South.

Miss Edna Moore, 46 Elm street, Buffalo, N. Y., Secretary East End Literary Association, writes:

"I was a great sufferer from systemic catarrh, was extremely nervous, could not sleep, fainted easily, was very irritable, had a confusion of the senses, and got up in the morning feeling more tired than when I went to bed."

"I was very wretched, but upon taking Peruna I began to improve, and after using the medicine four months, I felt like a new woman and was completely cured."—Edna Moore.

The principal remedy which Dr. Hartman relies upon in curing catarrhal diseases of women is Peruna. Hundreds of women sufferers find Peruna a household necessity.

MISS Angelina Grotton, 805 St. Urbain

street, Montreal, Can., writes: "Having heard Peruna praised so highly induced me to try it for my cold, and pains in the groins with which I had been suffering for months. It took nearly three bottles to cure me, but I consider that was but a short time, as I have often taken doctors' prescriptions for months before I got relief."—Angelina Grotton.

As is well known, Dr. Hartman is the President of the Hartman Sanitarium, an institution which has a department devoted to the treatment of female diseases.

He is thus brought to see thousands of such cases every year, the most of whom return to their homes to be treated by correspondence.

Those wishing to become patients should address Dr. S. B. Hartman, Columbus, Ohio.

We have on file thousands of testimonials like the ones given here. We can give our readers only a slight glimpse of the vast array of unsolicited endorsements we are constantly receiving. No other physician in the world has received such a volume of enthusiastic letters of thanks as Dr. Hartman for Peruna.

CLOSE SEASON.

The Law Now Protects Rabbits and Squirrels.

Friday is the beginning of a two months' close season for rabbits and squirrels to open again with the quail season, Nov. 15th. Squirrels have been unusually numerous this year and the nimrods of the city report a good many killed in the last six days. A little respite now will give them and the rabbits a chance to grow and get fat before the fall campaign.

The Colonel's Waterloo.

Colonel John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from Liver and Kidney trouble. In a recent letter, he says: "I was nearly dead, of these complaints, and although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me. In consider them the best medicine on earth, and thank God who gave you the knowledge to make them." "Sold and guaranteed to cure, Dyspepsia, Biliousness and Kidney Disease, by R. C. Hardwick drugist, at 50c a bottle."
